Lightweight! Less than 13lbs

The QW410's lightweight and compact size allows for the printer to easily be carried from event-to-event by a single person.

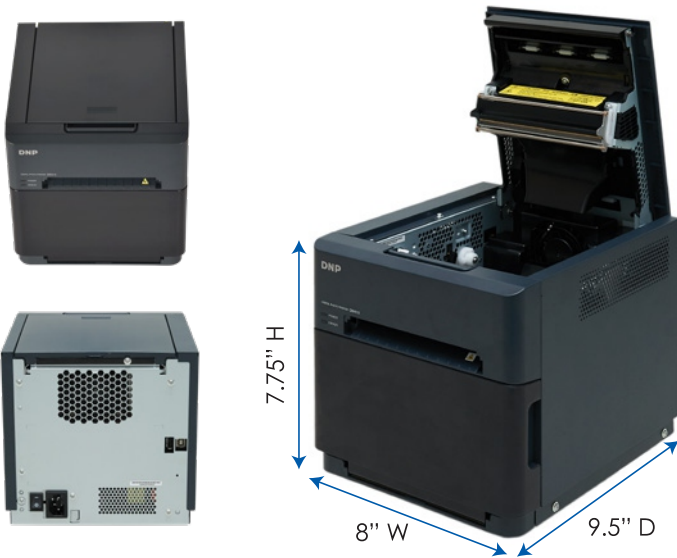

New QHD Pano Print

This unique size is perfect for larger images without the need for cropping.

New lay flat printing function!

Equipped with an innovative mechanism that reduces the curl of the print. The lay flat printing function will switch on automatically depending on the paper count left on the roll.
