# DS620A™

DNP's new flagship printer now offers **PANORAMIC** photos in 6x14" & 6x20"!

## Fast Printing

With up to 400 prints per hour, the DS620A is fast with prints in 8.3 seconds! This makes DNP's new flagship model one of the fastest professional photo printers.

## 3-year AE Included

The DS620A features an enhanced Thermal Print Head and Print Engine System for years of trusty performance. Here's the proof! DNP includes an optional 3-year Advance Exchange (AE) Extended Warranty—an end user support program\*\*.

## Multiple Formats

Providing flexibility on photo formats, the DS620A offers anything from a 2"x6" photo booth fun strip up to gorgeous 6"x20" **panoramic\*** photos. Load in 6"x8" media for the greatest flexibility in print sizes.

## NEW Finishes

Now offering four distinct photo finishes—**glossy, luster, fine matte, and matte**; all on the same media! You only need to have firmware version 1.52.
